

# Water Weekly

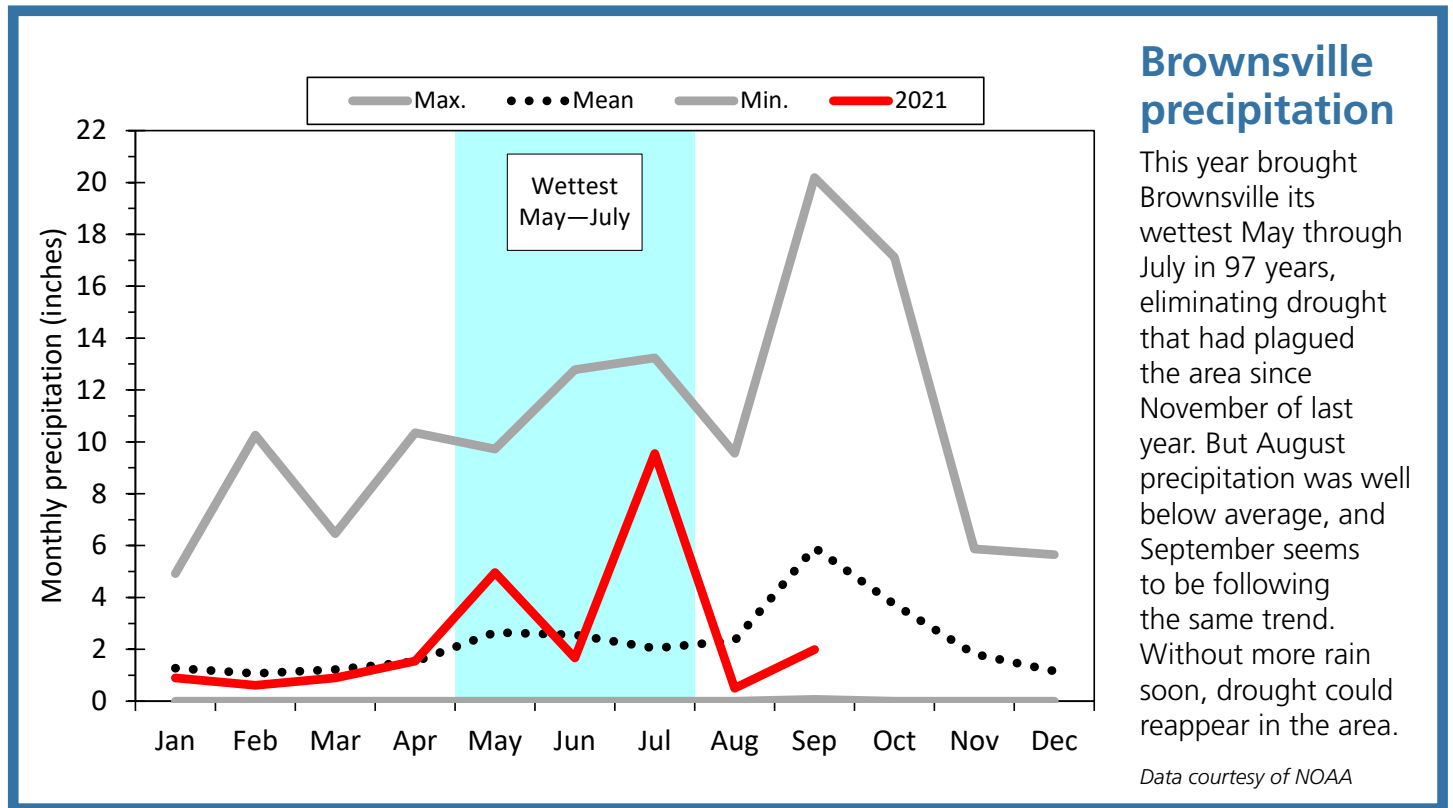

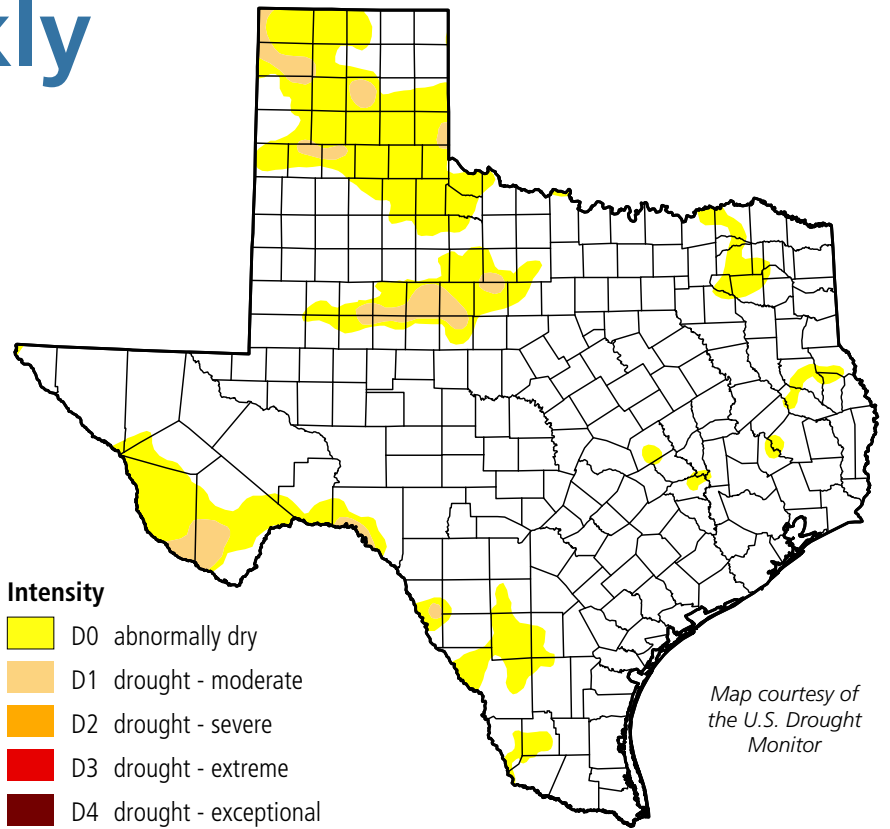

For the week of 09/20/21

## Water conditions

The most recent drought map for conditions as of September 14 shows the largest one-week increase in drought since early April. Recent hot, dry conditions have led to drought expansion, including development of new pockets of drought in the Panhandle, Central Texas, and in the Rio Grande Valley.

## Drought conditions

- ◆ 3% now
- ◆ 0.5% a week ago
- ◆ 12% three months ago
- ◆ 34% a year ago
